Purpose

This guide brings access and consent rules together.

Access comes first

- Ask what helps the learner take part.
- Offer flexible ways to participate.
- Do not require camera use.
- Do not require public sharing.

Consent comes before sharing

- Participation consent is different from media sharing consent.
- Appearing in video is a separate choice.
- Online sharing is a separate choice.
- Showcase review is a separate choice.

Private completion

- A learner can complete a project privately.
- Private completion should not be treated as a lesser outcome.

Partner responsibility

- Partners must not publish learner names, images, quotes or media without confirmed consent and EduLinked approval.

No guarantee

- Access to tutoring, public screening and showcase pathways is not guaranteed.

Contact

- Questions can be sent to founder@edulinked.com.au.
