This accessible document supports the EduLinked Digital Devices Loan Library page. It is designed to be read on screen, printed, or used by a support person.

What this page is about

- EduLinked may lend tablets to older Australians.
- A tablet can help you use the internet, video calls, email and learning websites.
- EduLinked can give support so you do not have to work it out alone.

Who it may help

- People aged 50 years and over.
- People who do not have a suitable tablet or computer at home.
- People who feel lonely and want to connect online.
- People who need bigger text, slow steps or accessibility settings.

How it works

- Register your interest.
- EduLinked checks if the program is suitable.
- You complete a baseline survey.
- You sign a loan agreement.
- EduLinked sets up the device.
- You get induction and follow-up support.
- You return the device at the end of the loan.
