This document is written in plain language and is intended for institutional enquiry, pilot planning and accessible procurement conversations.

EMLS

EMLS means EduLinked Modular Learning System.

EMLS is a set of short lessons.

Schools, libraries and other organisations can use EMLS.

What EMLS helps with

- EMLS helps people learn.
- EMLS helps teachers and facilitators run lessons.
- EMLS helps organisations use accessible resources.
- EMLS helps organisations collect evidence for reports.

What each lesson can include

- a lesson plan

- Easy Read sheets
- videos or media with captions where available
- Auslan-ready summaries
- symbol-supported resources
- a simple guide for the facilitator
- ways to check learning and collect evidence

Who can use EMLS

- schools
- libraries
- training organisations
- museums
- community learning centres
- public institutions

How an organisation can start

- Choose the lessons or modules they want to try.
- Talk with EduLinked about access needs.
- Train facilitators.
- Run a small pilot.
- Review what worked.

- Decide whether to keep going or scale up.

Access options

- Easy Read
- plain language
- captions
- Auslan-ready summaries
- symbol support
- facilitator scripts
- short steps and checklists

Important things to know

- A pilot does not automatically mean a full licence.
- A demo does not guarantee funding or procurement approval.
- Accessible formats must be checked before delivery.
- EduLinked can help partners plan the next step.
